2. BACKGROUND AND FACTS ON WHICH THE APPLICANT RELIES

(This section should chronologically deal with the facts which would persuade or dissuade a commissioner in granting the application).

- (a) The ruling made at conciliation / arbitration award came to my attention on.....
I immediately did the following:

[illegible]

- (b) I submit that I was not in wilful default of the Bargaining Council because: *(for example, I did not know of the date of the hearing because I had not received the notice / my address has changed and I have advised the Bargaining Council of this / the fax number the notice was sent to was incorrect. Annex any relevant documents. Must give details)*

[illegible]

- (c) I believe that the commissioner should rescind the ruling / award because I have a good prospect of succeeding in my claim against the respondent because: *(must set out, in as much detail as possible, why your case will succeed. It is not sufficient to just say because I was unfairly dismissed. You must indicate why. Was it procedurally and/or substantively unfair and what part of it was unfair)*

[illegible]

- (d) As a result of the foregoing, I respectfully submit that the commissioner issued the ruling / award erroneously in my absence, and I am therefore entitled to rescission of that ruling / award (see section 144 for other grounds for rescission, if necessary) as I have shown good cause for this in my application.

- (e) General: *(the issues raised here are not meant to be exhaustive. Please add any information that you think the commissioner may wish to consider in granting the application)*
